THE HONOURABLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION NO.9589 OF 2007

Oral Order:

The petitioner is a nursing school and it was being run in premises at Door No.1-1-11/M, Tember Road, Tekkali. It is stated that during the course of road widening, the entire building in which the institution was being run was demolished. The petitioner claims to have made a representation dated 10.11.2006 to the respondents herein seeking permission to shift the institution from Tekkali to

Narsannapeta. Its grievance is that no action has been taken thereon.

Heard the learned counsel for the petitioner and the learned Government Pleader for Medical and Health.

The permission accorded to the petitioner was to run the institution at Tekkali. It became impossible for the petitioner to continue the institution at that place on account of the widening of the road. Therefore, the petitioner submitted a representation to the respondents to permit it to shift the institution to Narsannapeta. If the shifting is otherwise permissible, the petitioner deserves to be accorded permission without any loss of time. On the other hand, if there exists any impediment for granting such permission, the respondents must indicate the reasons to the petitioner so that it can explore the other possibilities. Either way, the matter cannot be kept pending indefinitely.

Hence, the writ petition is disposed of directing the 1st respondent to pass appropriate orders on the representation dated 10.11.2006 submitted by the petitioner within a period of four weeks from the date of receipt of this order.
